**SCHOOL IDEAL**

the Inspiration of its students.

**TEACHER IDEAL**

Saint Elizabeth Ann Seton Catholic School seeks teachers, whose lives express a Christian approach to learning and living, offering the children the opportunity to witness religious truth and values integrated into their daily lives. The teachers at Saint Elizabeth Ann Seton Catholic School are degreed, licensed and qualified to teach the children in their care.

**PRINCIPAL-TEACHER RIGHTS**

School authorities have the right to establish and enforce rules of conduct in order to maintain a proper atmosphere for learning. School regulations are designed to control behavior that disrupts the classroom, interferes with discipline, or infringes on the rights of others. The school reserves the right to inspect all school and/or personal property at any time it is deemed necessary. All parents and students attending Saint Elizabeth Ann Seton Catholic School will respect and follow the guidelines established by the administration.

**STUDENT RIGHTS**

Students will be dealt with fairly, with an adequate opportunity to present their version of a situation. Each student has the right:

- to an education
- to an atmosphere conducive to learning
- to fair treatment
- to the consideration and concern of teachers and fellow students

**PARENTS AS PARTNERS**

As partners in the educational process at Saint Elizabeth Ann Seton Catholic School, we ask parents:

To set rules, times, and limits so that your child:

- Gets to bed early on school nights;
- Arrives at school on time and is picked up on time at the end of the day;

- Completes assignments on time; and
- Has lunch money or sack lunch every day.

To actively participate in school activities such as Student-Led Conferences;

To see that the student pays for any damage to school books, **technology**, or property due to carelessness or neglect on the part of the student;

To notify the school by phone or email when the student has been absent or tardy;

To notify the school office of any changes of address or important phone numbers;

To meet all financial obligations to the school;

To inform the school of any special situation regarding the student's well-being, safety, and health;

To support the student as they take responsibility for his/her behavior and academic success.

#### **PARENT'S ROLE IN EDUCATION**

We, at Saint Elizabeth Ann Seton Catholic School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life-- physically, mentally, spiritually, emotionally, and psychologically. Your choice of Saint Elizabeth Ann Seton Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter a partnership with us at Saint Elizabeth Ann Seton Catholic School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence. It is also essential that a student takes responsibility for his/her behavior.

Together, let us embrace this year with a commitment to partnership as we support one another in helping your child to become the best person he/she can become.

#### **PRINCIPAL'S RIGHT TO AMEND A HANDBOOK**

The principal retains the right to amend the handbook for just cause. If changes are made, parents will be notified as soon as possible.

#### **ACCREDITATION AND CURRICULUM**

Saint Elizabeth Ann Seton Catholic School is accredited through Advanced Ed and the State of Indiana. Saint Elizabeth Ann Seton Catholic School follows the Diocese of Fort Wayne-South Bend Curriculum which has the College and Career Readiness Standards as well as Catholic Identity.

For Preschool, our curriculum is designed to encourage your child to grow intellectually, socially, physically and spiritually. It is also designed to meet the needs of each individual child. We offer programs for children that are 3 and 4 by September 1<sup>st</sup> of the current school year. The three-year old program focuses on continued growth in social skills with an emphasis on group participation, following simple instructions and learning to work individually. The children develop a basic understanding of preschool enrichment through circle time activities, learning centers and games. We encompass readiness, fine motor, and language, social and gross motor skills throughout these activities. Our four-year old program emphasizes pre-kindergarten enrichment based on use of manipulatives, learning centers, peer interaction and a variety of other activities that enable the child to have a comfortable transition into their kindergarten experience. Our work focuses on language and social skills, fine motor development, gross motor activity, reading, writing and math readiness skills. Our 4-year-old Preschool Program utilizes **The Creative Curriculum**. This is based on 38 objectives for development and learning and presents knowledge-building volumes and daily practice resources in tandem, giving every educator the “what,” “why” and “how” of early childhood education. The curriculum offers daily opportunities to individualize instruction, helping teachers meet the needs of every type of learner. It addresses all the important areas of learning, from social-emotional and math to technology and the arts and incorporates them throughout every part of everyday as well as offers daily, built-in opportunities for observation, helping teachers and administrators clearly see the strong relationship between curriculum and assessment. Finally, it offers complete support for working with English- and dual-language learners, including detailed guidance that helps to build teachers’ knowledge about best practices and contains guidance for working with all learners, including advanced learners and children with disabilities.

#### **CHOICE LOTTERY POLICY**

Saint Elizabeth Ann Seton Catholic School offers a Waiting List when enrollment demands exceed the maximum number allowed per grade. Additional student(s) may be added to the class per approval from the pastor and principal.

While the pastor, in consultation with the principal, will make the final determination as to who is enrolled at Saint Elizabeth Ann Seton Catholic School, the Saint Elizabeth Ann Seton School Board, has determined the prioritization for admitting new students to the school by using a classification system. Please note that before a student on the waiting list can be admitted, all other admission requirements must be met.

Classification A:

The first group of families that will be considered for enrollment are families who are registered and active parishioners of Saint Elizabeth Ann Seton Catholic Church and have other children attending Saint Elizabeth Ann Seton Catholic School. Active parishioners are considered those who attend Saturday evening/Sunday Mass each week as well as complete and fulfill annual stewardship of time, talent, and treasure. Prioritization among students in this group will be based on the parish registration date.

Classification B:

The second group of families that will be considered for enrollment are families who do not have any children enrolled at Saint Elizabeth Ann Seton Catholic School but are registered and active parishioners of Saint Elizabeth Ann Seton Catholic Church. Active parishioners are considered those who attend Saturday evening/Sunday Mass each week as well as complete and fulfill annual stewardship of time, talent, and treasure. The third group of families that will be considered for enrollment are families who are registered and active at other Catholic parishes. Please note that families in this group must pay the full cost of tuition per student unless the pastor of their parish determines that their parish will subsidize the student. Siblings within this group will be evaluated on an individual basis.

### **ATTENDANCE/ABSENCE**

If your child will be absent for the day or tardy because of an appointment, parents are required to call school by 8:00 AM. Excessive tardies interfere with the child's learning instruction and can result in further disciplinary actions. A student is tardy if he/she arrives later than the time designated for the beginning of the morning and/or afternoon sessions. Saint Elizabeth Ann Seton Catholic School follows the Diocesan policy for Irregular/Unexcused Student Attendance.

- A. After a student is absent for 6 days per school year, the administration may contact the student's parent/guardian. The date and content of this contact shall be documented.
- B. After a student is absent over twelve (12) days per school year, a conference with the teacher and/or administrator may be held with the parent/guardian and the student. An attendance contract may be established at this time and documentation shall be kept.
- C. After a student is absent over fifteen (15) days per school year, a referral may be made to the assistant principal. If the assistant principal is unable to successfully resolve the attendance problem, a referral may be made to the YMCA Status Offender Court Alternative Program (SOCAP). Also, unless approved by the administration, days absents after 15 are considered unexcused.
- D. The administration may request a doctor's note if there is excessive absenteeism. Notes are to be presented to the homeroom teacher immediately upon the student's return. The notes are then sent to the office.

**In addition, for every five (5) unexcused tardies a student receives, this is equivalent to one-half (1/2) day absence.** A tardy for a medical reason is considered an excused tardy. Students with excessive tardies may be put on an attendance contract with consequences.

Excessive absences affect the child's learning instruction. As far as possible, appointments for dentists or doctors should be outside school hours. When this is not possible a note, e-mail, or phone call stating the reason for leaving and the time a child needs to leave can be given to the office and teacher. No child will be excused from school during the day without a written or personal request from a parent or guardian. The school reserves the right to deny early or special dismissal to anyone other than the parent or guardian.

If a student becomes ill during the school day, he/she will be sent to the office, at which time it will be determined if the parent/guardian needs to be contacted.

When a student is absent from school, a parent should call the office by 8:00 AM each day of the absence. If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Saint Elizabeth Ann Seton Catholic School students.

Students should be fever free for 24 hours without the use of fever reducing medications, such as acetaminophen or ibuprofen, before returning to school.

For parent information: when to keep your student home and when they may return:

- If your child has a FEVER (Any temperature over 100.4°F): Your child must be fever free for 24 hours (without the use of Tylenol or Ibuprofen) before returning to school.

**Preschool AM and PM Dismissal** – Preschool teachers will review arrival and dismissal procedures with students and parents at Meet The Teacher.

Important: Children will not be dismissed to anyone unless authorized by a parent in writing. This is done to ensure the safety of your child. If it is necessary for someone else to pick up a child, the school must be notified in advance, and identification will be checked.

If a parent emails a teacher outside of these hours, please do not expect a response until the following day. Please know that teachers and staff will respond to you in a timely manner.

### **VISITORS, PARENTS, AND VOLUNTEERS**

School visitors, volunteers, parents, family, and friends, etc. must enter through Door#28 and come to the main office. **When arriving in the morning and to secure student and staff safety, no visitors or parents are permitted pass the security doors.** Do not go directly to your child's classroom. For safety and security reasons, each person is required to sign in at the office when he/she enters the building for any reason. All visitors and/or volunteers are required to wear a designated name tag that may be picked up in the office. Parents who volunteer to serve lunch or who volunteer in another capacity in the school may not drop into a classroom to see their student or visit the teacher during the day. This is an interruption to the teacher and to the educational process. Shadowing by parents is not permitted in the classroom.

### **SCHOOL PROPERTY**

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks rented by the student must have a proper book cover. No writing in rented textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented. **Students and parents are responsible for any damages to school-issued technology.** This includes the chargers and cases.

### **SCHOOL SAFETY**

Saint Elizabeth Ann Seton Catholic School provides a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously, in jest, or online**) face detention, suspension, and/or expulsion. **Parents making such threats (seriously, in jest, or online) may no longer be permitted on school property or asked to leave the school community.**

Harassment of any type is not tolerated. When administration is notified about an alleged harassment, they investigate all complaints. Students involved in harassing behavior face consequences such as detention, suspension, and/or expulsion. **Engagement in online social media such as, but not limited to Snap Chat, Instagram, Tik Tok, Facebook®, etc. may result in disciplinary actions if the content of the student's and/or parent's posts includes defamatory comments regarding the school, the faculty, other students, or the parish.**

### **OFFICE RECORDS**

Parents/Guardians are requested to notify the school office in writing of any change of address, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses and/or phone numbers of emergency contacts.

### **VACATIONS**

Absences related to travel and vacation trips are to be reported to the office and teacher, prior to the student's departure. It is the policy of Saint Elizabeth Ann Seton Catholic School that no homework will be sent with the student leaving for vacation. The student will be responsible to make up all work missed. Vacations while school is in session are highly discouraged.

### **TRANSPORTATION POLICY**

#### **Saint Elizabeth Ann Seton Catholic School A.M. Arrival**

Saint Elizabeth Ann Seton Catholic School will open to students at 7:00 AM. All students will arrive and enter through door number 28 (Atrium) and head to the gym until dismissed to classrooms. Gym doors open at 7:00 AM. Please be aware that students going into Saint Elizabeth Ann Seton Catholic School before 7:35 AM (grades K-8) are not allowed into their classroom, but rather they go to the gym until 7:35. **Students may go to the gym and enjoy breakfast before heading to class!**

**PK Students will be dropped off under the awning by the church. Parents will pull under the church awning and teachers will help to get the students from the vehicles.**

Any transportation changes must be reported to the school office as early as possible on the day of change.

At Saint Elizabeth Ann Seton Catholic School when driving into the parking lot, please drive completely around the perimeter of the lot along the east side of the lot by the playground/Media Center and follow up to the curb in front of the building. Please do not drive down the other parking aisles towards the curb as this disrupts the current system and is not safe for anyone walking in the lot.

Please beware of and follow the directions of all staff/faculty that are directing traffic in the parking lot. They are doing their best to ensure that vehicles move quickly and easily, but most importantly, the safety of all students, parents, and guardians.

**All cars must pull all the way down to the designated crosswalk (even during inclement weather).**

Doing so will allow several cars to unload simultaneously, providing a faster, more efficient drop off system for everyone involved. If the weather is a problem for your child, then we suggest you park your car and walk your child to the door. Please have your children ready to exit the car immediately upon arrival at the curb (coats and shoes are put on at home, papers already in backpacks, etc.). This will help the process move more smoothly for all.

Children should always exit the car on the **CURB SIDE ONLY**. For their own safety, **NEVER** allow your children to exit the car on the parking lot side. Parents/drivers should stay in their cars while in the car drop off line and should not get out of the car to open the door for children. This process is too time-consuming, in which it slows down the process and flow of vehicles. If your children have trouble opening the door by themselves, need extra assistance with car seats, book bags, etc., or you would like to spend more time dropping them off, please park your car in the parking space and walk your children up to the door using the designated crosswalk.

Please be patient in the car line and **NEVER** drive around and pass the other cars in the line. This is important for the safety of all the children, especially the walkers in the parking lot. Always be aware that there will be children also walking in the parking lot and drive carefully. Never drop off your children in front of the buses. This is for the safety of the students and parents.

School starts promptly at 7:45 (grades K-8). Students who are not in class by the bell will be counted tardy/absent.

### **Behavior On School and Daycare Buses**

We expect our students to be respectful on the bus and towards the equipment (no destroying or vandalizing of bus, seats, etc.) used to transport them. This includes behavior as well as treating the bus driver and peers with respect. Those students who misbehave on any buses could be in danger of losing the privilege to ride those buses. The Administration of SAINT ELIZABETH ANN SETON CATHOLIC SCHOOL and/or other school corporations and businesses work cooperatively to ensure bus safety.

### **SAFE AND SECURE SCHOOL**

Because we are concerned with the safety and well-being of our students, our school has prepared a Crisis Plan. This plan enables us to address various situations which involve the students, faculty, and parents. This plan is a way to provide support to all involved at Saint Elizabeth Ann Seton Catholic School. **Atrium doors will be locked from 7:00am-4:00pm. Parents will not be able to go beyond the doors without checking in at the office. The school secretary will call the classroom to make sure that the teacher is available and/or has made an appointment with the parent. Per Diocesan Policy, various drills must be practiced with students and staff within the first 10-15 days of the start of school (Hold, Secure, Lockdown, Evacuate, and Shelter) Tornado, Fire, Relocation drills are planned throughout the school year.**

### **SECLUSION AND RESTRAINT POLICY AND PLAN**

Saint Elizabeth Ann Seton Catholic School believes a safe and healthy environment should be provided in which all children can learn, develop, and participate in instructional programs that promote high levels of academic achievement. As an Indiana accredited non-public school, state law requires that our school has a Seclusion and Restraint Policy and Plan. The purpose of the plan is to ensure that all students and staff are safe in school, and that students who may have behavior crises are free from inappropriate use of seclusion or restraint.

Behavioral interventions for children must ensure all children are treated with dignity and respect. This environment should allow all children to be free from physical or mental abuse, aversive behavioral interventions that compromise health and safety, and any physical seclusion or restraint imposed solely for purposes of discipline or convenience.

Seclusion or restraint shall not be used as routine school safety measures; that is, they shall not be implemented except in situations where a child's behavior or action poses imminent danger of physical harm to self or others and not as a routine strategy implemented to address instructional problems or inappropriate behavior (e.g., disrespect, noncompliance, insubordination, out of seat), as a means of coercion or retaliation, or as a convenience. Any use of either seclusion or restraint shall be supervised, short in duration and used only for the purposes of de-escalating the behavior.

### **CANCELLATIONS/DELAYS**

Saint Elizabeth Ann Seton Catholic School will remain open as much as possible and provide each of our students with a sound educational program. It may become necessary to cancel school or delay its starting time because of inclement weather which may pose a health, and/or, safety factor for our students traveling to school. **Saint Elizabeth Ann Seton Catholic School will call its own weather delays and closings.** Listen to your local radio/TV stations for school cancellations or delays. Also, we will send a text if there is a delay or cancellation through our **School Messenger.** On very rare occasions, school may be dismissed early if inclement weather develops during the school day. The student should have an alternate plan so that he/she will be prepared as to where he/she should go if it is somewhere other than home. When school is cancelled, all activities and practices may also be cancelled. **The school recognizes that individual family situations and geography vary considerably and respects the right of parents to keep their children home in inclement weather**

If there is a two-hour delay, the Preschool AM session will be from 10:00-12:00 and the PM Session will be from 12:55-2:55.

**ACADEMIC POLICIES**

**EVALUATION**

Progress reports are issued mid-way through each quarter for Grades K-8. Report cards and progress reports will be available to the parents three times throughout the year. The final report cards will be mailed in June on a date to be determined. All fees, tuition, tech charges, and lunch charges must be paid in order to receive report cards. Grades are determined by daily assignments, tests and participation in class as well as other teacher-set criteria. At the end of the year report cards can be withheld because of unpaid fines due to library fees, lunch charges, **technology repairs**, and unpaid tuition.

**STUDENT-LED CONFERENCES**

**At the end of the first grading period, parents and child are expected to attend a Student-Led Conference.** Because Saint Elizabeth Ann Seton Catholic School feels that these conferences are important to the child, teacher and the parents/guardians, the report card will be available prior to the conference. Discussion between the parent/guardian, teacher and child is often helpful in determining the proper goals for the child. Teachers are available to meet with parents **by appointment**, but typically not during school hours when teachers are responsible for being with the children. Notes, e-mails, and phone calls are also ways that a student’s progress may be reported or discussed. Interim evaluations are also used by some teachers at the midpoint of a nine-week period to inform parents/guardians and students of the performance and/or progress at that time. For Preschool, twice a year, the preschool teacher will do a Developmental Assessment on each 3-year-old preschool student. The teacher will share these results with the parents. The preschool teacher will do a Developmental Assessment twice a year for the 4-year-old preschool students. Conferences are conducted in January.

The early childhood children are taught the first five skills that include listening, following directions, asking questions, sharing, and demonstrating basic social skills. F. National Junior Honor Society - The National Junior Honor Society chapter of Saint Elizabeth Ann Seton Catholic School is a duly chartered and affiliate chapter of this prestigious national organization. Membership is open to those students who meet the required standards in five areas of evaluation: scholarship, leadership, service, citizenship, and character. Standards for selection are established by the national office of NJHS and have been revised to meet our local chapter needs. Students are selected to be members by a 5-member Faculty Council, appointed by the principal, which bestows this honor upon qualified students on behalf of the faculty of our school each year.

Student in the second semester of sixth grade or grades seven through eight are eligible for membership. For this scholarship criterion, a student must have a cumulative GPA of 3.33 on a 4.0-point scale as well an overall conduct grade of at least an A-. Those students who meet this criterion are invited to complete a Student Activity Information Form and application that provides the Faculty Council with information regarding the candidate's leadership and service. A history of leadership experiences and participation in school or community service is also required.

To evaluate a candidate's character, the Faculty Council uses two forms of input. First, school disciplinary records are reviewed. Second, members of the faculty are solicited for input regarding their professional reflections on a candidate's service activities, character (off and on campus), citizenship, and leadership. These forms and the Student Activity Information Forms are carefully reviewed by the Faculty Council to

determine membership. A majority vote of the Council is necessary for selection. Candidates are notified regarding selection or nonselection in writing.

Following notification, a formal induction ceremony is held at the school to recognize all the newly selected members. Once inducted, new members are required to maintain the same level of performance (or better) in all five criteria that led to their selection. This obligation includes regular attendance at chapter meetings held monthly during the school year and participating in individual and chapter services projects. Students or parents who have questions regarding the selection process or membership obligations can contact the moderator of NJHS.

### **VANDALISM**

This school is parish property, and as such, it is in the best interest of all families to maintain it in excellent condition. We need the cooperation of all who use the facility, to respect and care for the buildings and the property on which the buildings are located. Care of personal property is an ever-present problem, as sometimes it can be stolen, lost, damaged or misplaced. We expect each child to be responsible for his own belongings. Clothing, especially gym shoes, should be marked with the child's name.

In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to the academic records and to the other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order. It is mandatory that divorced parents provide the school with a copy of the custody section of the divorce decree. This information will also help the school in determining when, if ever, the child can be released to the non-custodial parent.

**DIRECTORY INFORMATION SHEET**

An emergency information sheet for each child is kept in the school office.

**HEALTH RECORDS**

These are maintained by a Registered Nurse from Saint Elizabeth Ann Seton Catholic School. ### **COMMUNICATION**

Every week, the school office sends home school information on Wednesday electronically which includes a newsletter, calendar, lunch menu, and other important information. Parents will be notified by phone or note in case of academic or behavior problems in school.

The school does not give out teachers' home phone numbers. It is recommended that a parent wishing to meet with a teacher arrange an appointment for the convenience of both. Parents should seek to resolve difficulties with a teacher before approaching the administrator. The administrator may be asked by either the parent or teacher to attend a conference. The principal welcomes parents' request for conferences. As far as possible these should be scheduled ahead of time. The principal and teachers will respond to each concern. Parents may communicate their concern by e-mail, letter, phone call, or conference. We encourage parents to use the e-mail addresses. We take each concern seriously and will follow-up.

**Parents are not to go to a classroom during regular school hours 7:00 AM. - 3:15 PM., without seeking approval from the administrator or school secretary first.** This does not apply to parents working as regularly scheduled teacher helpers. All visitors and volunteers must sign in at the school office.

### **ACCIDENTS**

Accidents of any nature which may require completion of insurance forms must be reported to the office as soon as possible. Otherwise, the school will have difficulty verifying the claim. All students have diocesan insurance, while at school, which is paid through their school fees. It should be noted that according to the policy of the diocese, the parents' insurance is the primary pay in case of an accident at school. The student's school insurance is secondary.

If a child receives more than a minor injury at school, parents will be notified by phone or email as soon as possible.

### **LOST & FOUND**

Students are responsible for all learning materials issued to them - texts, workbooks, library books. Payment is to be made for lost or damaged items.

Usually, permission will be refused concerning calls for forgotten items. Students should decide for rides and to have other students come home with them before they come to school, not by using the phone. Students will not be called to the phone except in case of emergency.

### **ELECTRONIC POLICY**

**Students are permitted to bring electronics to school and keep them off and in their lockers.**

Electronics included in this policy are all types of cell phones, Smart Watches, Bluetooth ear/headphones, ipods, handheld video games, tablets, or any other personal electronic devices, etc....   2. Any and all information submitted by the parent(s)/guardian(s) of the child with the application.
  3. A recommendation of the preschool teacher for the child's entrance. In case of a child who did not attend a preschool, the principal may require a conference with the kindergarten teacher, parent/guardian about whether early entrance is in the best interest of the child.
  4. Administration of a readiness assessment is given for determining eligibility for an entrance waiver to kindergarten. Financial responsibility for the assessment is a local school decision.

NOTE: A child coming into a diocesan school from an out-of-state kindergarten program or an in-state kindergarten program and who does not meet the Indiana state age-eligibility requirement, should be admitted to a kindergarten program, unless it can be determined that enrollment in such a program was intended to circumvent Indiana law.

## V. First Grade Entrance Requirements

A child entering the first grade must be six years old on or before September 1. The academic program of the Catholic schools is such that a waiver for age is not acceptable unless the child has demonstrated the successful completion of a kindergarten program.

Students enrolling in a diocesan school after successfully attending kindergarten in another accredited/recognized school that has different age requirements shall be allowed to continue in school without interruption because of chronological age.

## VI. Children with Exceptional Educational Needs

Children with exceptional educational needs requiring special class placement are accepted if their needs can be reasonably accommodated in the school. Initial enrollment should be on a tentative basis with the understanding that in the event the exceptional needs of the child cannot be reasonably accommodated by the school, the custodial parents or guardians will agree to enroll their child in another school system which can accommodate the special needs of exceptional children.

Ordinarily when a diocesan school cannot reasonably accommodate the exceptional needs of a child, a recommendation for special class placement should be made to the custodial parent or guardian by the principal, after consultation with the child's teacher(s). This recommendation will be either for special class placement within the Catholic school or referral to a public school for evaluation placement. If the custodial parent or guardian does not accept the school's recommendation, it is expected that he/she will place the decision in writing. In some instances, the custodial parent or guardian will be required to withdraw the child if the child's continued presence, in the opinion of the school personnel, would pose an undue hardship on the operation of the school, or poses a threat or harm to the student, other students, or school personnel.

## VII. Student or Prospective Students with Communicable Diseases

Catholic school shall comply with all applicable state law and all Board of Health policies regarding school enrollment and attendance in relation to a student or prospective student having a communicable disease.

Prospective students who meet all entrance requirements may not be denied admission solely on the basis of a diagnosis of a communicable disease unless required by applicable state law or board of health policy; similarly, student may not be excluded merely on the basis of a diagnosis of a communicable disease. However, as with a prospective student who is diagnosed as having or is suspected of having a communicable disease, a child with a communicable disease may be excluded, if after an individualized assessment of the child's condition, in accordance with the school's communicable disease policy/procedure, it is determined that the child's presence in the classroom would expose others to significant health and safety risks.

Upon being informed that a child is diagnosed as having or is suspected of having a communicable disease, a review team consisting of the student; his/her parent/guardian; his/her physician; a physician representing the school, parish, or diocese; and school or parish administrators will be established to determine whether the child's admission or continued presence in the school would expose others to significant health and safety risks. In making the determination, the review team will conduct an assessment of the child's individual condition. The review team's inquiry will include findings of fact, based on reasonable medical judgments given the state of medical knowledge about

- A. the nature of the risk - how the disease is transmitted;
- B. the duration of the risk - how long the carrier is infectious;
- C. the severity of the risk - the potential harm to the third parties;
- D. the probabilities the disease will be transmitted and will cause varying degrees of harm; and
- E. whether a reasonable accommodation exists and/or is required.

The review team must also take into consideration the scope of the problem, education-related civil rights, and the students' rights to confidentiality.

The recommendation of the review team and the decision of the parish and school administrators shall be considered confidential and will be submitted for review only to the Superintendent of Schools, Vicar of Education, and diocesan attorney.

In the event it is determined that a child is unable to attend regular Catholic day school, the parish, school and diocese will assist the parent or guardian in locating alternative educational services and obtaining religious and catechetical instruction.

### SCHOOL ATTENDANCE (P4040)

The diocesan schools consider the development of good attendance habits as a vital and desirable undertaking for two essential reasons. First, it is difficult for young people to learn if they are not in class; the teaching-learning process builds upon itself. Secondly, research shows that educational achievement is directly related to attendance. A student who misses a day of school misses a day of education that cannot be retrieved in its entirety.

#### I. Parent/Legal Guardian Responsibility

Parent/legal guardians are responsible for having their children in public or private school from the age of seven (7) until the date on which the child:

##### A. Graduates

- B. Reaches at least sixteen (16) years of age or less than eighteen (18) years of age and;
  1. the student and the student's parent or guardian and the principal agree to the withdrawal; and
  2. at the exit interview the student provides written acknowledgment of the withdrawal and the student's parent or guardian and the school principal each provide written consent of the student to withdraw from school.
3. reaches the age of eighteen (18)

#### II. Absences from School

Absences from school shall fall into one of the three following categories:

##### A. Absences which are counted as present

1. Serving as a page in the Indiana General Assembly;
2. For student in grades 7 through 12, serving on a precinct election board or as a helper to a political candidate or political party on election day with prior approval of the principal;
3. Court appearance pursuant to a subpoena;
4. Active duty with the Indiana National Guard for not more than ten (10) days in a school year;
5. Placement in a short-term inpatient treatment program which provides an instructional program;
6. Homebound instruction;
7. Religious observances; and/or
8. For high school students, serving on the state standards task force. The student must provide a written verification from the chairman of the task force indicating the date and times the student was to be in attendance at the meeting and verifying the student's attendance.

##### B. Excused Absences

1. Illness of the student (with written statement by parent/guardian or doctor)
2. Funerals
  - a. for the death in the immediate family
  - b. for persons outside the immediate family with parental permission
3. Out-of-School suspension (Make-up work is NOT accepted)
4. Medical and legal appointment - such appointment should be scheduled after school hours when possible.
5. School/college visits (2) - parents need to check with the individual school's policy for arranging such visits.
6. Prearranged activity approved by the principal.

##### C. Unexcused Absences

1. No parent contact with the school giving an explanation for the absence on the day of the absence.
2. No physician note to excuse an absence once more than 5 days of absence have occurred (see frequent of prolonged illness below).
3. Family Vacations
4. Absences other than defined as excused or absences counted as present.
5. Students with unexcused absences will not be allowed to make-up assigned work.

### III. Truancy

A student is truant when she/he is absent from school or class without the permission of his/her parent or guardian and the school. Students who are habitually truant shall be reported to the juvenile authorities in accordance with the applicable state law and following diocesan procedures.

Habitual Truancy may be evidenced by the following:

- A. Refusal to attend school in defiance of parent authority.
- B. Accumulating a number of absences from school without justification over a period of time, such as a grading period. Habitual truancy is not evidenced by a single isolated incident of unexcused absence.
- C. Three (3) or more judicial findings of truancy.

### IV. Reporting an Absence

A parent/guardian shall contact the school to report a student's absence. Each school has established procedures for reporting absences. Absences will not be excused and the student may be considered truant if the procedure for reporting an absence is not followed.

A written explanation for any absence and signed by the custodial parent/guardian is required upon the return of the student to school. The school is not required to provide credit for makeup of assigned work missed because the student's absence is unexcused or the student is truant.

### V. Frequent or Prolonged Illness

If a student is absent for five consecutive days due to illness, or has contacted a contagious disease, a physician's statement may be required in order for the student to return to school.

### VI. Response to Irregular Attendance

If an irregular attendance pattern begins to develop, the school may use the following procedure to encourage the student's return to a pattern of regular school attendance.

- A. Call daily from school (secretary, principal, or attendance clerk), to parent/guardian to verify absence and to determine reason.
- B. After a student is absent 6 days per school year, a school administrator, attendance clerk, or counselor will make contact with the student's parent/guardian. The date and content of this contact shall be documented.
- C. After a student is absent over 12 days per school year, a conference shall be held with the parent/guardian and the student. An attendance contract may be established at this time and documentation shall be kept.
- D. After a student is absent over 15 days per school year, a referral shall be made by the principal. If the principal is unable to successfully resolve the attendance problem, a referral may be made to the intake officer or the local Juvenile Probation Department or SOCAP.

### **GROUND FORS SUSPENSION OR EXPULSION OF STUDENTS (P4520)**

I. The grounds for suspension or expulsion below apply to student conduct which occurs:

- A. On school grounds;
- B. Off school grounds at a school activity function, or event;
- C. Traveling to or from school or a school activity, function, or event; or

- I. Failing in a substantial number of instances to comply with directions of teachers or other school personnel during any period of time when the student is properly under their supervision.

**DISCIPLINARY REVIEW FOR STUDENTS (SUSPENSION OR EXPULSION (P4530))**

Any student accused of wrong doing in violation of school or diocesan policy that could result in the student's suspension or expulsion from the school will be given:

1. An explanation of what the student is accused of doing that is wrong and
2. An opportunity for the student, in the presence of the student's parents, to respond to the accusations before either the principal or an impartial tribunal established by the school's administration for the purpose of making a recommendation on the matter to the principal.

The principal (in consultation with the pastor in the case of an elementary school) shall be responsible to make a final decision on all such matters. The principal's decision shall be final and binding on all parties.

**HARASSMENT POLICY**

The administration and staff of Saint Elizabeth Ann Seton Catholic School believe that all employees and students are entitled to work and study in school-related environments that are free of sexual harassment. Saint Elizabeth Ann Seton Catholic School will not tolerate harassment of any type, and the appropriate disciplinary action will be taken. Disciplinary action may include suspension or expulsion. Examples of peer sexual harassment include, but are not limited to, verbal or written taunting; bullying; other offensive, intimidating, hostile or offensive conduct; jokes, stories, pictures, cartoons, drawings, or objects which are offensive, annoy, abuse or demean an individual or group.

**School Volunteer Background Screening (P3730)**

An individual who applies for a volunteer position at the school that is likely to involve regular, ongoing contact with children under 18 years of age must complete a request and authorization for a background screening in accordance with the standard diocesan background screening policy for volunteer applicants. All volunteers must complete diocesan safe environment education requirements prior to beginning their volunteer service. A parish school may coordinate such screening with the parish office, as applicable.

Please call the school office at 432-4001 or email Mrs. Allen at [office@seascsfw.org](mailto:office@seascsfw.org) for information on how to apply for a volunteer application and safe environment information.

### **Electronic Communication and Technology**

*The image of the body and the members reminds us that the use of the social web is complementary to an encounter in the flesh that comes alive through the body, heart, eyes, gaze, breath of the other. If the Net is used as an extension or expectation of such an encounter, then the network concept is not betrayed and remains a resource for communion. If a family uses the Net to be more connected, to then meet at table and look into each other's eyes, then it is a resource. If a Church community coordinates its activity through the network, and then celebrates the Eucharist together, then it is a resource. If the Net becomes an opportunity to share stories and experiences of beauty or suffering that are physically distant from us, to pray together and together seek out the good to rediscover what unites us, then it is a resource.*

*We can, in this way, move from diagnosis to treatment: opening the way for dialogue, for encounter, for "smiles" and expressions of tenderness... This is the network we want, a network created not to entrap, but to liberate, to protect a communion of people who are free. The Church herself is a network woven together by Eucharistic communion, where unity is based not on "likes"; but on the truth, on the "Amen"; by which each one clings to the Body of Christ and welcomes others."*

Pope Francis, 24 January 2019, 53<sup>rd</sup> World Communications Day Message

Note: Throughout this policy, certain words will be noted by an asterisk. These words are defined in the appendix of this policy. Diocesan school personnel should also refer to Policy P3645 as found in the Catholic Schools Office Educational Policies. Resources and forms for use with this policy are contained in an additional supplement.

### **PURPOSE**

This policy assists those who minister in the Diocese of Fort Wayne-South Bend by outlining the acceptable use of electronic communication\* and technology. The policy protects both the diocese and its members by defining use that is safe, responsible, civil, and, most importantly, reflects our discipleship of Jesus Christ. The diocese believes these resources are an important educational and evangelizing tool to further the mission of the Church. Therefore, use of these resources must always be consistent with the mission of the Catholic Church. The benefits to using electronic communication and technology include its speed of transmission, ability to reach large numbers of persons, low cost, ease of use, and opportunity for feedback and collaboration. Its thoughtful and careful use promotes healthy communication in building relationships and promoting the mission of the church. However, electronic communication is a tool in relationship-building and is never a substitute for personal encounter. Moreover, electronic communication can inflict great harm to individuals, especially minors\*, and the church itself if misused.

### **POLICY STATEMENT**

The Diocese of Fort Wayne - South Bend may supply computers, software, internet access, and/or other electronic communication devices to its clerics\*, those preparing for ordination, employees\*, volunteers\*, ("church personnel") and students so they may complete the responsibilities assigned by their positions. All users must take care to apply these tools for their intended purposes. The diocese may monitor electronic communication or any other related use of its computers, devices and networks at any time, with or without notice to users. The diocese encourages administrators, pastors and principals to support the use of electronic communication and technology and to give church personnel the necessary training to communicate safely and responsibly while using electronic communication. Any communication that includes defamatory or harmful comments regarding the diocese, its personnel\*, parishes, schools, institutions or those it serves may result in disciplinary action up to and including termination. All church personnel and students of the diocese are required to adhere to the information provided in this policy when using electronic communication.

### **PROTECTION OF MINORS\***

The diocese requires that church personnel and students comply with all aspects of the *Safe Environment Policy* ([www.diocesefwsb.org/Policies-and-Procedures](http://www.diocesefwsb.org/Policies-and-Procedures)). The diocese will review alleged violations of the *Children's Online Privacy Protection Act* and the *Safe Environment Policy* of the diocese as needed. See also Policy 4170 in the Catholic Schools Office Educational Policies concerning disclosure of student education records.

### **ELECTRONIC COMMUNICATION**

There are many forms of electronic communication with some enabling private exchanges between two or more persons while others share information in the public domain. Some forms of communication are intended only for adults\* while others may include adults and minors. Those utilizing electronic communication should consider the type that best serves their ministry and those for whom the messages are intended. For example, a closed group on a social media platform allows adults and minors the freedom to communicate freely within the group. The communication has a public aspect, but it is contained within the group affording some protection. Whereas open groups on social media platforms allow for the greatest transparency and work well for outreach with adults and promoting events. Those who serve in the diocese may also use electronic communication in their personal lives. If so, they must use care in those communications also. This is due to the public nature of electronic communication and the association of content to the creator.

### **Examples of electronic communication platforms**

Learning management systems (LMS): used in educational settings for class and course work. Ex. Canvas, Blackboard, Google Classroom; Information management systems: information system used for decision-making and reporting, including the coordination, control, analysis, and visualization of information or financial transactions in an organization. Ex. Powerschool, CMG Connect, Parishsoft, and FACTS, Social media\* platforms: used to communicate with others, find people with like interests, share information. Ex. Facebook, Twitter, Instagram, Snapchat, LinkedIn  
Texting/email, and marketing platforms: send short messages (texts or email) via mobile devices or using an online application. Ex. Remind, Flocknote, Constant Contact, MailChimp, and GroupMe, Websites/online accounts/blogs

The diocese may approve the creation of ministry websites\*/online accounts or blogs\* on platforms but only as an extension of a ministry, program, or event. Initiation of such sites must have the prior approval of the proper supervisor\*/administrator before beginning such work. Supervisors who give approval to an individual to create a ministry website/online account/blog for dispersal of information are responsible for it. The diocese does not permit use of a personal site\* or account to be used by lay employees, volunteers, or those preparing for ordination as the official means of extending a diocesan, parish or school ministry, program, or event. Clerics may use personal sites to share homilies and other spiritual resources.

### **Email**

The diocese requires that a ministry/work email account be established and used in all ministry and professional work on behalf of the diocese by clerics, those preparing for ordination, and employees. The account should be in a domain that is owned or controlled by the diocese so that archiving of all messages is possible for retrieval if needed. The pastor/principal/supervisor should ensure every employee who needs an email account to complete job duties has one.

The diocese does not permit use of a personal email account to conduct ministry or work on behalf of the diocese by clerics, those preparing for ordination, or employees. While volunteers may use their personal email accounts in their volunteer role, the parish/school may consider providing an account in the parish/school domain to certain volunteers so that it controls access to and retention of messages.

### **Cell phones/other devices**

Since the diocese does not provide cell phones to most of its church personnel, they may use their personal devices for electronic communication. When doing so, adults in their roles within the

Diocese of Fort Wayne-South Bend must use the approved electronic communication methods outlined in this policy. In cases where organizations do, however, provide a device that is owned or paid for by a diocesan entity, the diocese shall retain all rights to monitor, track, or analyze usage of the device.

### **Confidential and proprietary information**

Church personnel are prohibited from disclosing information that is understood to be held in confidence by the diocese, FERPA (the Family Educational Rights and Privacy Act of 1974) or HIPAA (Health Insurance Portability and Accountability Act of 1996). Church personnel are prohibited from disclosing any information that is proprietary to the diocese, except by explicit permission of the appropriate authority.

### **Trademarks and logos**

Use of the diocesan crest, logo, and name requires explicit permission from the diocesan Communications Office. The diocese does not allow use of its name, trademarks or logos, names of any parish, school or entity of the diocese on personal websites or in any way that could reasonably suggest diocesan or affiliate sponsorship or agreement with any views expressed on personal accounts. The crests of the bishops belong to them and are not to be used in any unofficial capacity.

### **Right to review**

The diocese reserves the right to review the electronic communications of any church personnel that is generated by diocesan accounts or using diocesan equipment.

### **RULES/PROCEDURES**

In using electronic devices to communicate in their roles with of the Diocese of Fort Wayne- South Bend, including but not limited to email messages, text messages, tweets, websites, blogs, and social networking sites, church personnel and students will:

Always use respectful language.

Maintain appropriate relational boundaries in all forms of communication.

Never access, post or send immoral, obscene, illegal, threatening, abusive, defamatory, or profane material or pornography (adult or minor) of any kind to any person.

Never send anonymous messages. Messages sent by an address from an office holder, such as [info@diocesefwsb.org](mailto:info@diocesefwsb.org) or [bishopsoffice@diocesefwsb.org](mailto:bishopsoffice@diocesefwsb.org) are permitted.

Create usernames on a diocesan-owned entity or third-party account that allow transparency as to the identity of the user.

Treat all communication as if it were public. Communication via these forms of technology does not always remain private. Always use language and communicate as if you were face to face with the person. The message may be altered and sent beyond the original author's intention.

When communicating with minors using forms of electronic communication:

The purpose is to provide information related to a ministry, educational activity, or event and not for socialization or other personal interaction. Prolonged conversations or interactions of a personal nature with minors through such communication methods are not permitted. Family members are exempt. Parents must be notified of the methods of communication which are used with their minor children and their consent obtained. Parents must be granted access to such communications including the minor's account login credentials and/or membership in a closed social media group. Written verification of understanding from parents/guardians is required. See the resources and forms document for a sample form.

Social Media/Network or other electronic communication may not be used to communicate directly to minors who have not reached the 9<sup>th</sup> grade, but instead should be directed to their parents. Educational or curriculum-based electronic communications are acceptable for those below 9<sup>th</sup> grade if it is approved by the pastor/principal/supervisor and parents/guardians via signature(s) and occur on a learning management platform used by the school. These programs must always be transparent in nature and freely accessible by parents/guardians. If the school allows individual communication between adults

and minors on the platform, e.g. teachers and students, then parents must be informed that this feature will be used and given access to the messages. It is also acceptable to create public organizational pages which may be viewed by any individual. Minors may only be given information to follow these public pages if they are permitted by the rules of the site to open an account.

**For electronic messages that are sent to groups of minors who have reached the 9<sup>th</sup> grade, the following is required:**

Email: Parents/guardians informed of use with their minor children and written consent given.

Message sent to all members of group. Parents copied on message if they request this. Supervisor copied on all messages.

Text: Parents/guardians informed of use with their minor children and written consent given. Message sent to all members of group. Parents copied on message if they request this. Supervisor copied on all messages.

Post on social media platform: Parents/guardians informed of use with their minor children and written consent given.

Posts or messages are visible to all group members. Parents are invited or admitted as members if the group is closed.

Supervisor given access to the social media site or designated as a co-administrator with full access and posting privileges to the social media account.

**For messages that are sent to individual minors (9<sup>th</sup> grade and above), the following is required:**

Email: Parents/guardians informed of use with their minor children and written consent given. Parents copied on message.

Text: Parents/guardians informed of use with their minor children and written consent given. Parents copied on message.

Telephone call: Parents/guardians informed of use with their minor children and written consent given. Calls are made infrequently and only for a purpose associated with ministry, program, or event. Calls are not made for socializing.

Post on social media platform: Not recommended between adult and individual minor.

When using social media sites for communication with minors, a closed or private group or page may keep the group safer as it prevents interference from outsiders. When using a ministry social media account, adults must not "follow" or "like" a minor but may accept the request from minors who are involved in the ministry. Church personnel may not post publicly or privately on a minor's personal social media page. When minors form their own electronic communication groups, adults should not join these groups. If the teens involved with a ministry, club, team or organization have a running group message, the ministry and/or its leaders would not be responsible. If minors contact an adult engaged in ministry without copying their parents/guardians on the message, (other than a "follow" request), the adult may reply with a group message (i.e., when the personal contact was for information relevant to the group). When the contact is such that a group response is not appropriate, the adult should respond with: *"I have received your message but am unable to reply as you have not copied your parent/guardian on the message. Please resend to me with at least one parent/guardian copied so that I may reply to you. If this is an emergency and you need to communicate with me immediately, reply and include that in your message. Thank you."* It is also permissible for the adult minister to respond to the message if the parent is copied. Church personnel should maintain copies of all such messages. Adults are permitted to initiate communication with minors between 8:00 AM and 9:00 PM. They may respond to communication sent to them by a minor outside of this time period only if it is an emergency, urgent such that it cannot wait until the next morning or occurs in the context of a retreat or pilgrimage and is necessary. Online "chatting" with minors is not permitted.

Adults must remember that they are adult professionals who are rendering service to a minor. Appropriate boundaries must exist between adults and minors so that effective ministry may occur. Adults are not friends or buddies with the minors they serve. All electronic interaction with youth should be conducted as if the adult minister would be willing to say or give the same response in person, in the presence of that minor's parent. Additional information for social networking sites (as part of a parish, school or diocesan site) Before creating a social media account on a platform, the pastor/principal/administrator must approve its use in writing. See the resources and forms supplement for a form for this use. There must be at least two administrators with rights for each social media account used for ministry communication. The adult creating the account should use electronic communication platforms that are based in the United States to assure compliance with US laws for safety, security, and privacy. Consider the audience and purpose of the account to determine if it should be a public or private site. The site administrator must approve each request to follow/like the site after verification of current participation in the program or ministry. Do not post or distribute personal identifiable information of a minor without verifiable consent of the parent or guardian. Personal identifiable information includes the minor's home address, email address, telephone number or other information that would allow someone to contact the minor. Personal identifiable information pursuant to this policy also includes any photo and/or video of a minor that is published or posted along with the minor's name or the name of any family member of the minor, or the minor's age or grade level. Verifiable consent may be given by a release/permission form, an email from a parent or guardian, a parent/guardian request, or spoken permission by a parent or guardian in the presence of another adult. Absolutely no tagging pictures with the minors' names or other identifiers which could show up in search engines can be used without a parent's/guardian's written permission. (Use of diocesan permission form required).

Post rules of conduct on the site. If public posting or replies to posts are allowed, site administrators must actively monitor the content for appropriateness and civility; deleting such content and/or blocking or sanctioning members that do not abide by those principles. Snapchat is not youth ministry friendly. Attempting to connect with youth with a personal account or attempting to set up a ministry account is not compliant with proper professional standards.

### **Computers**

In using a computer or other electronic device supplied by the Diocese of Fort Wayne-South Bend or one of its entities, church personnel must:

Respect the privacy of other users.

Respect and honor copyright and license agreements.

Safeguard user identification (user ID) and private passwords.

Protect information from unauthorized use or disclosure.

Never use the computer for illegal purposes or in any way that violates any international, federal, state or local laws.

Never use the computer to harass, threaten, or transmit inappropriate material.

**Every student in K-8 will receive a Chrome Book or laptop to use in school and at home. The family and students will sign a Computer Acceptance and Returning Agreement at the beginning of the school year. This agreement ensures the safe return of the computer, charger, and computer cover.**

When separating from employment or volunteer service with the diocese, never delete any computer files or download diocesan information without appropriate authorization.

### **Internet access**

In accessing and using the internet from diocesan-owned electronic equipment or accounts, all church personnel must adhere to the above-mentioned items. Also, they must:

Never attempt to block, bypass or remove filtering software.

Use great care when downloading files from the internet to the diocesan, parish or school system. Files must be scanned for viruses. Compressed files should be scanned before and after decompression.

## ENFORCEMENT

The Diocese of Fort Wayne-South Bend will enforce the policy set forth here and expects all church personnel to comply. Failure to comply with any of the provisions of the Electronic Communication and Technology Policy will be grounds for disciplinary action up to and including termination. The diocese reserves the right to make changes to this policy at any time, at its sole discretion, and interpret and administer the policy considering circumstances and events.

**Our school uses Impero on all our computers for students' safety. It monitors what sites our students are using, what our students are typing. This monitors the computers here at school and at home.**

#### **PHOTO AND MEDIA RELEASE INFORMATION:**

Parents grant Saint Elizabeth Ann Seton Catholic School the right to take photographs, video, or other media of their student and their property in connection with parish, school or organizational activities for the 2021-2022 academic year. You authorize Saint Elizabeth Ann Seton Catholic School and/or the Diocese of Fort Wayne-South Bend, its assigns and transferees to copyright, use, publish the same in print and/or electronically.

Parents agree that Saint Elizabeth Ann Seton Catholic School and/or the Diocese of Fort Wayne-South Bend may use such photographs, video, or other media of the student for any lawful purpose, including but not limited to such purposes as publicity, illustration, advertising, and Web content. Parents will grant this authorization when completing their student online enrollment packet.

#### **Recommendations for Youth Minister/coach/teacher**

Do not permit followers on your social media site for ministry if it is known that the individual (minor) is too young to legally have the account. Reply to electronic communication received from a minor in which no parent is copied. *"I have received your message but am unable to reply as you have not copied your parent/guardian on the message. Please resend to me with at least one parent/guardian copied so that I may reply to you. If this is an emergency and you need to communicate with me immediately, reply and include that in your message. Thank you."*

#### **Recommendations for supervisors/site administrators**

Use paid and/or contracted service providers in order to avoid advertising which may be counter to Church teaching as well as possibly providing better safeguards and privacy for information on social media sites. For example, a site hosted by a service provider like "Faith in Action" by [osv.com](http://osv.com) may be better than free sites subsidized by advertising such as Facebook, [yahoo.com](http://yahoo.com), [gmail.com](http://gmail.com), etc. in which information may be shared more readily beyond the site and provider. Domain Based email may provide better privacy, less advertising and increased confidence in the sender than free services. For instance, an email from a domain like [bishop@diocesefwsb.org](mailto:bishop@diocesefwsb.org) may offer advantages over [bishop@gmail.com](mailto:bishop@gmail.com). Contact Forms may be preferable to direct email contacts because content can be better organized and sending email addresses explicitly displayed. If a person is misusing the site or posting unwelcome items, the site administrator should speak with this person either in person or telephone to discuss. The person should be given a warning that any further action that harms the group or site will result in removal of the person.

### **TELECOMMUNICATIONS USE AGREEMENT**

As a computer user, I agree to follow the rules and code of ethics in all of my work with computers while attending Saint Elizabeth Ann Seton Catholic School:

1. I recognize that all computer users have the same right to use the equipment; therefore, I will not use the computer resources for non-academic purposes. I will not waste or take supplies such as paper, printer cartridges, and discs that are provided by the school. When I am in the computer lab, I will talk softly and work in ways that will not disturb other users. I will keep my computer work area clean and will not eat or drink in the computer lab.

2. I recognize that software is protected by copyright laws; therefore, I will not make unauthorized copies of software and I will not give, lend, or sell copies of software to others. I understand that I will not be allowed to bring software applications, games, or CD-ROMs from home to be used on school equipment without proof of licensure and prior approval of appropriate school personnel.

3. I recognize that the work of all users is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not attempt to gain unauthorized access to system programs for computer equipment; I will not use computer systems to disturb or harass other computer users or use inappropriate language in my communications.

I will honor my school's procedures for the storage of information. I realize that after prior notice has been given to me, files may be deleted from the system to protect the integrity of the network or because of space limitations on the computer's hard drive.

4. Each student who received Internet access will be instructed in the proper use of the network. The use of the Internet must be in support of education and research consistent with the educational objectives of the school. Students using network or computing resources must comply with the appropriate rules for that network or resource.

As a user of a network, I will not use bulletin boards or chat lines for personal use. In addition, I will not reveal my personal information, home address, or personal phone number or those of students, teachers, or other staff members. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. The use of school computers and networking resources for commercial activities is not permitted. Their use for product advertisement or political lobbying is also prohibited.

5. Parents must realize that their students may encounter material on a network/bulletin board that they do not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.) The student is responsible for not pursuing material that could be considered offensive.

6. The use of the computer is a privilege, not a right, and inappropriate use will result in the cancellation of these privileges. Vandalism or intentional modification of system settings will result in cancellation of privileges and/or school disciplinary action. The school reserves the right to seek financial restitution for any damage caused by a student or other user. The system administrators will deem what is inappropriate use, and their decision is final. The administration, faculty, and staff of the school may request that the system administrator deny, revoke, or suspend specific user privileges. Violations of the rules and code of ethics described above will be dealt with seriously.

7. At school functions, such as musicals, holiday programs, Administration will inform parents and visitors about taking pictures and videos of the students. Some of our students are on the “No Photo” list and are not to be placed on Facebook, Instagram, YouTube, and any social media. Administration will remind parents before the events about photos and videos.
